Outgoing number: 91-00-25

Sofia, February 5th, 2009

To

Mrs. Marina Manolcheva

Chairperson of Crime Prevention Fund “IGA”

About: Feedback as a result of the conduction of an external independent assessment of the effectiveness of the activities of Crime Prevention Fund “IGA”.

Dear Mrs. Manolcheva,

Implementing the decisions of the National coordination committee for fight against AIDS and tuberculosis (NCC), which were taken on a regular meeting on February 2nd, 2009, I inform you with the present letter of the external independent assessment, which your organisation received, as well as of the recommendations, which were made to improve the operative procedures and to achieve better results under the Programme.

The external assessment was aimed to assess the administrative, governing and executive capacity for implementing the activities under the Programme, as well as to verify and to assess the quality of the data for the results achieved by Crime Prevention Fund “IGA”.

The independent examiner, “Audits and accounts company Bull-audit”, which was chosen in a contest, assessed all organisations under strictly defined criteria and indicators. The assessment of Crime Prevention Fund “IGA” is <<VERY GOOD>>.

Sincerely yours,

Dr. Tonka Varleva

Director of the Programme “Prevention and control of HIV/AIDS”
